

discover the **benefits** of shared branching

Credit unions operate under the philosophy, “not for profit, not for charity, but for service” and cooperate with each other instead of competing. That means all of your Service Credit Union transactions are available to you at any credit union within the Shared Branching Network. Also, anywhere you see this symbol:  the ATMs are FREE!

6,300 locations across the U.S., in Puerto Rico, Japan, South Korea, Guam, Italy and Germany. 2,200 self service Vcom® units available 24/7 in 7-Eleven stores across the U.S. No matter where you move or how often, Service Credit Union has a participating branch near you. Visit www.cuswirl.com to find a branch near you!
