Dear Mr. Simmons *Gordon Simmons*

On behalf of the National Association of Federal Credit Unions (NAFCU), I would like to congratulate your credit union for reaching its fiftieth anniversary. We are proud to commemorate this important milestone in your credit union's history with the enclosed pewter bowl from NAFCU's Board and staff.

The role of your credit union and the quality services that your institution provides to its members are more important now than ever before. While credit unions are facing many challenges, they are still demonstrating a constant ability to respond to the changing needs of their members.

We value your association and involvement with NAFCU, and wish the best of luck to you, your officers, Board members and members as you look forward to the future and your next 50 years.

Best Regards,

Fred R. Becker, Jr.
