Dear President Simmons:

Please know that I send my warmest regards to you and the Service Credit Union on this very special anniversary.

The Service Credit Union has grown exponentially during the past fifty years and enjoys a well-deserved reputation for excellence in both business leadership as well as a caring and for being community partner.

I thank you for your many, many charitable donations which include assisting the Salvation Army with the May 2006 Flood recovery efforts; and providing housing for injured combat soldiers returning from Iraq.

We can all be proud of the fact that anyone who lives or works in New Hampshire can join the Service Credit Union and are especially pleased to know that more than two thirds of your members are from our military families.

My hectic schedule in Congress prevents me from joining you in person, but I send along hearty congratulations and know that your good work will continue.

Sincerely,

  
Carol Shea-Porter  
Member of Congress
