Mr. Gordon Simmons
Service Credit Union
2010 Lafayette Road
Portsmouth, NH 03801

Dear Mr. Simmons:

Congratulations to you and your Board of Directors for the outstanding financial support that Service Credit Union has provided the United States Air Force for the past 50 years!

Celebrating fifty years of service is a milestone in and of itself. However, doing so during times of peace and war while also enduring base closures and realignments is a feat which can only be accomplished by dedicated, committed, and exceptional organizations -- organizations such as Service Credit Union.

Thank you for staying the course and being our partners since 1957. Please convey my congratulations and special kudos to all of Service Credit Union on 50 years of service and helping people; on 50 years of proven leadership and support to the world's greatest Air Force --- the United States Air Force!

Sincerely,

JAMES E. SHORT
